## WEDDING CEREMONIES

### CIVIL CEREMONIES

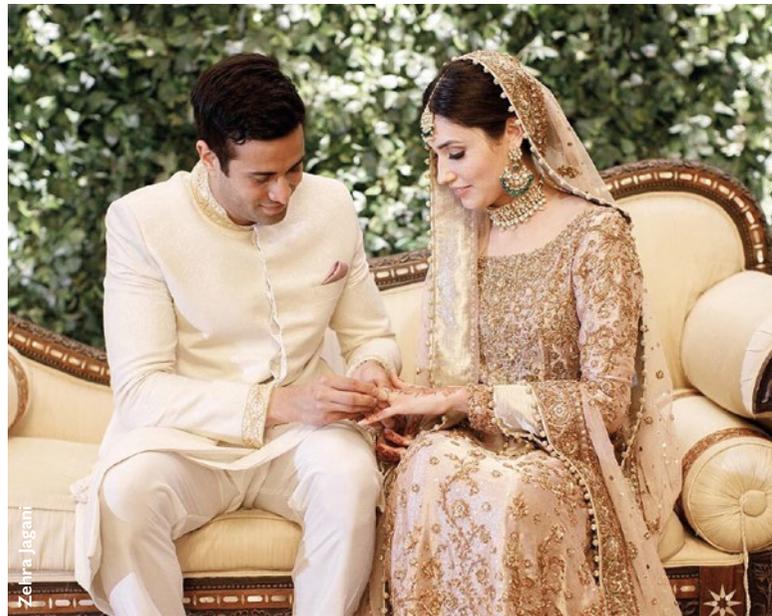

Chiswick House & Gardens is licenced for civil ceremonies with London Borough of Hounslow Register Office. Civil ceremonies may take place inside Chiswick House or the Conservatory. To check availability and for more information please contact them directly on 0208 583 2090.

### RELIGIOUS CEREMONIES

We welcome religious ceremonies and blessings at Chiswick House & Gardens. These may take place in any of our venues or outside in the gardens. If any naked flames are required for the ceremony (for example, the sacred fire for a Mandap ceremony) these may take place in the Garden Pavilion or outside in the gardens.

### HUMANIST CEREMONIES

Humanist ceremonies can take place anywhere on the estate. These ceremonies can be highly personalised and offer more flexibility than a civil ceremony, although they are not legally binding. We have worked with some fantastic Celebrants over the years, you can ask the team for our recommendations.

*“Everything for our big day ran so smoothly with thanks to the Chiswick House Events team. From providing help and guidance on a huge range of preparatory details at the very start of our wedding planning, maintaining a sense of calm and reassurance right through to the day itself, we couldn’t recommend the team more highly. They were a real pleasure to work with and truly went above and beyond our expectations with their assistance.”*

*“We opted for the Conservatory for our ceremony, followed by a champagne and canapé reception held outside on the glorious raised lawns of the Italian Gardens. It was the most perfect day: our ‘dream come true’ wedding and we cannot thank enough the dedicated events team and all the ground staff at Chiswick House & Gardens for everything they did for us on the day.”*

*“Many, many thanks for the efficient way you organised our wedding at the beautiful Chiswick House. We have been very impressed with the professional way you set the whole thing in motion and carried it out. Everything was so well organised and ran so smoothly, from organising the timetable, setting up the Red Velvet Room, welcoming and ushering in our guests, to getting the staff and the musician to be in the right place at the right time – and looking after us all in general. A nice final touch was the golf cart taking us back to the car. So a big thank-you to you and all the Chiswick House staff.”*
