Finding Us

We are well located by public transit, with Chiswick Station, Turnham Green Station, and bus routes 190, E3 and 533 within walking distance. The best route to the Kitchen Garden is via the Estate Office car park off Dukes Avenue. The Estate office is your first right turn down Dukes Avenue Gate. You'll reach a pair of big blue gates, and there is a little intercom where you can buzz to let us know you have arrived.

Estate Office Address: Chiswick House Estate Office, Duke's Ave, London W4 2RP

VEHICLE ACCESS TO THE ESTATE OFFICE

Vehicle access is through the main gates off the A4 westbound from the Hogarth Roundabout, just after Sutherland Road, clearly signed **service vehicles only**, immediately before the public car park.

Once inside the gardens, take the first right hand turn next to 2 houses into the Estate Yard.

All vehicles should adhere to the 5mph speed limit whilst in the park and use full hazard lights as children and unleashed dogs are the norm.
